Volunteers make the difference at Tracy Babe Ruth

The involvement of the parents is the primary reason we have a high quality youth sport program

- * Dedicated Managers, Coaches and Board Members are the single largest contributors to the league.
- * Team moms organized team events by making frequent phone calls.
- * Field maintenance workers prepared the fields in the early spring and after every game.
- * Snack bar workers helped raise money for all the field improvements last year.
- * Parents found team sponsors to help purchase new equipment for their team.
- * Volunteers made snack bar floor and plumbing improvements.

It is important for all of us to find a way to contribute to our child's activities and make a difference.

Tryouts / Team Placements

In order to ensure teams are equally competitive, the 7-8, 9-10, 11-12 & 13-14 divisions hold tryouts to determine the player's skill level before they are drafted onto a team. All registered players will be placed on a team regardless of skill level if they are present at the tryouts. Hitting, catching, throwing and running will be evaluated.

All new players and previous Babe Ruth players moving up to a new division are required to attend this tryout at the Monte Vista Middle School.

Players who are required to be at tryouts but do not attend will be randomly assigned to a team if space is available.

If tryouts are rained out (Call the Babe Ruth Hotline to be sure), they will be moved to the following day (Sunday) or if necessary to the following Saturday.

Please bring your baseball glove. Cleats are not required but highly recommended. **ALL PLAYERS PLEASE CHECK IN AT THE SNACK BAR!!**
